Adult Mental Health Services

STATEWIDE MENTAL HEALTH SERVICES

Adult Mental Health Services

Who we are

The Adult Mental Health Service;

- is a confidential statewide service for people aged between 18 and 65 years
- assists people who have a severe mental health problem
- provides mental health assessment, treatment and rehabilitation, and
- has community based teams and specialist inpatient facilities.

How to access our service

For advice, assessment and referral information phone the Mental Health Services Helpline on

Freecall **1800 332 388**

This is a confidential phone service that you can call 24 hours, 7 days a week.

The helpline is a triage service, and may refer you to a specialist mental health service or provide details for another service to assist you.

If you or anyone else is in immediate danger, call 000 for emergency services.

Your doctor (GP) or other health professional may make a referral to the Helpline, see back page for more details.

Tasmanian Health Service Buildings are smoke-free sites.

Statewide Mental Health Service welcomes feedback from clients, carers and family members to help us improve care. Talk to one of our team or fill in a consumer feedback form.

The Tasmanian Health Service integrates acute, primary and community services. This integration has given service providers the flexibility to ensure people have the best services we can provide, as close as possible to where they live.

Statewide Mental Health Services deliver consumer centred services focused on improving health outcomes. Our services include inpatient facilities and community teams.
