

Circular Head Community Connection Guide

INTRODUCTION

This Community Connection Guide was created by Circular Head Council in partnership with Stronger Together in Circular Head. Printed copies were funded by the Healthy Tasmanian Fund through the Tasmanian Government. The guide is designed to assist community members to quickly locate important services and find ways to connect through local groups, clubs and organisations.

Every effort has been made to ensure all organisations are included and information is correct and up to date at the time of printing. A copy of this guide will be updated regularly and available on the Circular Head Council website. Information can be added to the directory by contacting Circular Head Council on 6452 4800 or council@circularhead.tas.gov.au.
