

# JOB READY FUND

## We'll help you get the tools you need to succeed!

We're proud to be partnering with the Tasmanian State Government to facilitate the Job Ready Fund.

Providing financial assistance of up to \$500 per eligible individual, the fund aims to remove barriers to the workforce for job seekers and new employees looking to develop their careers.

The funding available can help you to get job ready, contributing to essential tools that can include chef knives, White Card accreditation, work boots, upskilling courses such as First Aid, or a Working With Vulnerable People registration.

To learn more about the Job Ready Fund, find out if you're eligible and apply, head to [searsonbuck.com.au](https://searsonbuck.com.au) or scan the QR code below.
