TOWARDS A BETTER FUTURE**

*Funded by the Tasmanian Department of Health & Human Services
and Supported by Primary Health Tasmania under the
Australian Government's Primary Health Networks Program*

WHAT *We do*

We provide a free private counselling and support service for people who are having trouble with alcohol, tobacco or other drugs.

The service also provides support and counselling to family and friends impacted by someone else's substance dependence.

Counselling services are client led to best meet the needs of individuals

- Counselling and case management
- Advocacy
- Referrals and links to other supports or programs
- Meet at YFCC sites or community settings
- Strategies to reduce or cease substance use

WHERE *We Work*

Our services are available right across North West Tasmania including the West Coast and King Island - call our head office below to find a location near you.
