Tasmanian Community Care Referral Service can help

Tasmanian Community Care Referral Service provides easy access to information and referrals for home and community care services through a single phone call.

What is Tasmanian Community Care Referral Service?

Until now, finding out about services and getting access to them took time and many phone calls. Tasmanian Community Care Referral Service can help understand eligibility, which services are needed, and assist in gaining access to them.

Who can use Tasmanian Community Care Referral Service?

Anyone; those needing assistance or their family, carers, health professionals and other service providers. Tasmanian Community Care Referral Service makes access to community care easy. Contact Tasmanian Community Care Referral Service for more information or assistance.
